

NOTE:

I can find no copy of the "draft of a memorandum which proposes a compromise solution on CGS." As I remember, it was sent to DD/I with this covering memo.

A copy was handed to [] by Mr. Kirkpatrick. [] then submitted his remarks dated 13 March and his proposed rewrite of Mr. Kirkpatrick's memo, dated 16 March.

Mr. Kirkpatrick's draft was subsequently redrafted (ER 64-2184 dated 26 March) and the final form was ER 64-2857 dated 21 April 1964.
